### Descripción del circuito:

Visit Valparaíso and you will fall in love with this city declared World Heritage by UNESCO. Valparaíso has the form of a natural amphitheater facing the sea; Almost all the city hangs from the hills. Travel in one of its traditional lifts to reach the May 21 stroll and its magnificent viewpoint.

We will tour the Atkinson and Gervasoni pedestrian walks full of history of foreign immigrants who arrived in Valparaíso when this important port was considered "La Joya del Pacífico" (before the opening of the Panama Canal). Visit to the esplanade of Sotomayor Square that reminds of the heroes of Iquique and the war of the Pacific. We will visit the place of inspiration of the Chilean poet Pablo Neruda in Valparaíso, his house museum "La Sebastiana" (Nobel Prize for Literature, 1971).

Visit the **Casablanca Valley** that will impress you with the beauty of its landscape and the quality of its wines. Its privileged Mediterranean climate (due to its proximity to the sea) is perfect especially for white wines.

In our tour we will visit a prestigious vineyard where we will be able to realize a tour to know in detail the process of elaboration of the wines and to taste them (Tour includes three tastings).
